Chamber of Commerce Directors Hold First Meeting of Year

STAR p. 10

Approve Committee Appointments and O. K. Budget of Expenditures for 1923

COMMITTEE chairmen named by President Felix M. McWhirter and committee assignments for the year 1923 were approved by the board of directors of the Chamber of Commerce at its meeting on January 18, the first meeting of the new directorate of this year.

The budget for the year as presented by the treasurer, J. Edward Morris, was adopted. Increased activity in every department of Chamber work was provided for in this year's budget.

The board went on record as opposed to a "federalized" school system. On these questions submitted to our organization by the Chamber of Commerce of the United States, the directors cast a "No" ballot:

"Do you favor the creation of a federal department of education with a secretary in the president's cabinet?"

"Do you favor enlarging the present federal bureau of education?"

"Do you favor the principle of federal aid to education in the states on the basis of the states appropriating sums equal to those given by the federal government?"

Following is the list of committees as approved by the directors:
