

IDEA 10 A Learner's Bill of Rights: Keeping children and youth in school and graduating by empowering them to make sure their teachers view all* students as naturally curious and motivated to learn

Keeping urban students in schools can depend on the capacity of educators to maintain and sustain a student's natural curiosity and motivation. This issue is so important *OpportunINDY* cannot leave this factor to chance. *OpportunINDY* can make sure each Marion County student carries A Learner's Bill of Rights (LBR) card and asserts their rights as learners.
