

limited, but, instead, will be extended. Resolutions urging race segregation in public schools, which have been passed by the Mapleton Civic Association and the White Supremacy League, were presented to the board and taken under consideration. Mrs. Otto Deeds represented the White Supremacy League, while the Mapleton Civic Association was represented by George W. Beaman. Announcement was made by the board that school No. 4, 630 West Michigan street, will be converted into a colored school next fall in order to accommodate the rapidly increasing colored population in that part of the

## Indianapolis White Supremacy League speaks to IPS board urging segregated schools
