Who is giving away our IPS high schools?IPS 2017 Facilities Utilization Task Force: External Community Members

As is obvious here, the group Supt. Ferebee/IPS put together to advise the district's plans to "right-size" is marked by real estate interests. This makes sense. Charters are really about land development, not reform or education: <u>http://vorcreatex.com/wp-content/uploads/2016/03/Urban-school-reform-is-really-about-land-development-not-schools-or-reform.pdf</u>.

Jeff Bennett,	Deputy Mayor of Community Development. Jeff works to restructure/coordinate city
Mayor's Office	departments to better serve neighborhoods, aiming to increase ease of interaction, break down
5	bureaucratic silos, and improve customer service. Jeff.Bennett@indy.gov
Adrienne Slash,	A Republican politician, Adrienne is daughter of past Indy Urban League director Joe Slash.
Leadership	LI is a self-appointed entity proclaiming to develop/mobilize a pipeline of community leaders
Indianapolis (LI)	who address Indy's issues and advance its opportunities. <u>www.leadershipindianapolis.com</u>
Mark Sausser,	Practices law in the <i>real estate</i> transactional area, including leasing, sales and financing of
lawyer	commercial, industrial and residential property. Mark's practice includes the development of
Faegre Baker	retail centers and build-to-suit facilities for national retailers throughout the Midwest and in
Daniels	the Pacific Northwest. <u>mark.sausser@FaegreBD.com</u>
Nate Lichti,	Director of Real Estate Services. Nate and IFF offer affordable financing and real estate
Illinois	services at every stage of school development for public charter and private schools serving
Facilities Fund	K-12 students in low-income communities. In Indiana, IFF manages the Indiana Charter
(IFF)	School Facilities Fund, a statewide revolving loan fund to assist charter schools with facilities
	financing. <u>www.iff.org/schools</u> <u>www.iff.org</u> <u>nlichti@iff.org</u>
Bill Taft, Local	LISC Executive Director. Perhaps since 2005, the pioneer of urban renewal (aka gentrifica-
Initiatives	tion: the displacement of Indy's original urban area residents), Bill/LISC made real estate
Support	development the theme of "urban renewal" (aka, the gentrification of Ft. Sq., Mass. Ave., E.
Corporation	16 th St.). LISC inspired Great Places 2020 is Indy's latest gentrification move and supports
(LISC)	IPS Innovation schools. greatplaces2020.org/1-o-v-e/ Bill's wife Joanna was instrumental in
	founding Herron HS and Riverside HS charters. <u>http://liscindianapolis.org/</u> <u>wtaft@lisc.org</u>
Brad Bobich,	Brad is regional manager for CEI, a structural engineering consulting firm offering a full
Cornerstone	range of engineering services including analysis/design of structures, assessment/retro-fitting
Engineering,	of existing structures, structural special inspections, and construction/project management
Inc. (CEI)	services. <u>www.cei-engineering.com</u> <u>brad@cei-engineering.com</u>
Maury	Neighborhood Development Director for INRC. Maury is past director and city planner for
Plambeck,	Indy's Dept. of Metropolitan Development (DMD). In 2015, DMD adopted "Indy Rezone,"
Indianapolis	Indy's plan to gentrify the city's zoning ordinance processes around <i>real estate</i> development.
Neighborhood	In early 2016, Maury held INRC workshops for neighborhood leaders/activists, professional
Resource Center	land use attorneys, and members of the urban real estate development/re-development
(INRC)	community on how Indy Rezone and the city's new variance and rezoning ordinances (aka
	gentrification) works. <u>www.inrc.org</u> <u>mplambeck@inrc.org</u>
Ezra Burdix	Heads DTM, a commercial <i>real estate</i> firm providing commercial <i>real estate</i> services. Ezra's
DMT Real Estate	knows land title insurance, residential and commercial <i>real estate</i> valuation, and commercial
	<i>real estate</i> brokerage. <u>www.dtmrealestate.com</u> <u>eburdix@dtmrealestate.com</u>
