*Rev. Trusty of 7th Christian Church will have to resign due to his affiliations with Catholics. The Disciples of Christ bring in none other than the Rev. Gerald L. K. Smith, anti-Semitic pamphleteer and professional rabble rouser. In 1926 Rev. Smith becomes founder/pastor of Capitol Ave. Christian, 142 W. 40th St. which in 1928 becomes the semi-official church of Butler. He becomes Butler’s Minister of the Chapel of the School of Religion which makes him college chaplain. In 1934, he joins Louisiana Gov. Huey Long’s depression era “share the wealth” campaign. **Rev. Smith’s association with Butler College during this era validates the college’s infamous racist policies.***
